Summary

I am seeking employment opportunities where I can utilize the skills I have obtained from my education and experience. I have high hopes that my major will aid in developing my personal and professional skills. I have a strong foundation for my major because of my communication and technical skills I have developed through my learning and experiences.

Work experience

Summer Trainee

2015 - 2015

Saudi Arabian Monetary Authority

I was a summer trainee at Saudi Arabian Cultural Mission

Networking:

joining new devices to the domain

installing windows to the devices.
